Academic cycle

**Time may vary depending on specialties*

Following the expanding internationalization at the KhNAHU, the University is actively involved in international academic activities. KhNAHU takes part in the consortium of 14 universities of the following countries: Germany, Georgia, Romania, Moldova, the Netherlands and Ukraine, implementing the European Tempus-EANET project. KhNAHU also cooperates with European Universities within Erasmus + KA1 and KA2 framework, whose strategic partner is Riga Technical University.

The students of the University participate in such programs as DAAD, Internship Program of German Business for Ukraine, Erasmus Mundus and many others. As early as in 2012, the German-Ukrainian Center was established at KhNAHU, aiming at teaching German and finding contact with German universities and companies.

Kateryna Danylenko
Deputy Head of International Affairs
