**Prof Laxmidhar Behera**  
Director, IIT Mandi

I am pleased to welcome you to IIT Mandi, which is located on the 538-acre picturesque river valley in the Shivalik Range. Since its inception in 2010, IIT Mandi has consistently worked to nurture professionals with industry-ready skills. We achieve this by periodically revising the curriculum in consultation with academic and industry experts to keep it relevant to the fast-changing global human resource needs. Academic excellence is our greatest strength. Students are introduced to practical learning with innovative pedagogy very early into the training. This ensures that they are better prepared to succeed in ambitious corporate environments. We provide a learning environment to allow individuals to express their passion and apply their innate abilities to solve real-world problems.

In the first year, the B.Tech. students participate in the Foundations of Design Practicum: Robotics and Reverse Engineering course which introduces them to existing engineering systems with hands-on experience. Design Practicum introduced in the second year to our B.Tech. students enables them to get exposure to real-world engineering problem-solving with interdisciplinary collaborations. With a budget of Rs. 25,000, award-winning projects include an intelligent drip irrigation system, a 3D printer, an autonomous garbage collector, etc. Socio-Technical Practicum introduced during B.Tech. 3rd year provides exposure to the impact of new technologies on society, often doing fieldwork in villages and towns in the neighborhood. Typical projects include alleviating traffic congestion in Mandi town, mechanization in terraced farms in the Himalayas, and education and livelihood for village women. These interdisciplinary and group projects build up perseverance, leadership, connection with society, and the opportunity to apply their technical skills.

The M.Tech. and M.Sc. degree programs contain a substantial component of thesis work relying heavily on practical learning aspects for over two semesters. In this open-ended thesis, students learn to work independently and in great depth on a research problem. The thesis contains globally novel contributions to the discipline in some aspects. Thus, the Master's graduates are well suited to take a lead role. The institute also encourages the student to explore collaboration and to work on projects guided by industry experts for their thesis. Research by our MS and Ph.D. students has achieved global recognition in international journals and conferences.

*Continued on next page...*

# | From the Director

In addition, the diaspora of student-driven extracurricular activities creates a lively learning environment and provides leadership abilities and confidence in our students. All this is impossible without the support of our able faculty, who give a holistic learning experience with their excellent teaching and exposure to cutting-edge research and publication in the best international scholastic journals. We have a total faculty strength of 173 active in research and teaching in several areas of engineering, sciences, and the humanities. Faculty have received research grants totaling over Rs. 160.7 crores and the Institute has invested heavily in developing state-of-the-art lab infrastructure. Our faculty members are also involved in mentoring startups supported by our Technology business incubator, IIT Mandi Catalyst. The IIT Mandi Catalyst supported 340+ startups and disbursed about INR 11+ crores for prototyping and commercialization of diverse start-ups in clean energy, environment, health care, agriculture, enterprise management, biotech, education, manufacturing, and consumer internet. The fact that about 37 of the total start-ups have been founded by the IIT Mandi faculty, staff, and students underlines the innovative and entrepreneurial spirit of IIT Mandi once again.

The IIT Mandi alumni have done extremely well, as evident from receiving the youngest scientist award in the Indian Science Congress, INYAS award, etc. Our current alumni strength is over 1269 B.Tech, 104 MS, 397 M.Tech, 392 MSc, 33 MA, and 6 I-Ph.D., and 231 Ph.D. graduates. Our alumni have excelled in different spheres of academia, industry, and central government administration, thanks to our innovative curriculum. Most of these alumni have been hired by top multinational companies, a few have chosen higher studies in leading universities and several of them are serving different administrative positions in the Govt. of India including IAS.

On behalf of the faculty and students of IIT Mandi, I invite you to participate in our placement process. I am confident that you will find it a rewarding experience!

**Prof. Laxmidhar Behera**  
Director, IIT Mandi

# | From the Faculty Advisor

**Prof. Dr. Tushar JAIN**

During the short span of fourteen years of its existence, the Indian Institute of Technology Mandi (IIT Mandi) has gained a reputation for its cutting-edge research and innovative teaching programs focusing on up-to-date scientific knowledge and state-of-the-art technological know-how in their respective disciplines. The institute prides itself on creating an environment that empowers young minds by developing intellect, and versatility, broadening horizons of creativity and honing interpersonal skills with the help of our top-notch faculty and staff. With the aim of shaping the students into responsible engineers and scientists, the innovative curriculum at IIT Mandi strives to expose students to strong fundamentals of engineering, basic sciences, and humanities while simultaneously sensitizing them to human values and society. Similarly, the institute's focus on research at the fore-fronts of various areas of science and technology has resulted in significant contributions and responsible researchers.

Apart from the technological development of our students, they also participate/organize in a multitude of extra-curricular activities, which exposes them to and tests their skills in sports, culture, dramatics, and music and allows them to develop a healthy overall personality. This has brought several awards to the institute at national and international levels. The students also get first-hand experience in organizing and managing events through various leadership positions they take up during several annual events organized at IIT Mandi.

The Career and Placement Cell (CnPC) invites organizations that have recruited our alumni and have witnessed them deliver well on high expectations placed on them, as well as those whom our students have not yet got an opportunity to serve. The CnP cell strives to facilitate the best possible match between the aspirations of recruiting organizations and the abilities of our students. We welcome suggestions from your organization that will help us realize it. On behalf of the CnPC team at IIT Mandi, I assure you of the prodigious talent of our students and feel elated to invite your esteemed organizations to recruit our students. We look forward to the enthusiastic participation of your organization in our 2023-2024 campus placement process and a lasting and mutually satisfying relationship with your organization.

Prof. Dr. Tushar JAIN, PhD, SMIEEE  
Faculty Advisor, Career and Placement Cell

# | About IIT Mandi

Indian Institute of Technology, Mandi is a premier public technical and research institute located in the Mandi district of Himachal Pradesh. It was established in 2009 and is recognized as an Institute of National Importance under the Institutes of Technology (Amendment) Act passed by the Indian Parliament in 2012. It imparts to its students a world-class education, a plethora of opportunities to pursue and excel in all kinds of fields and research, and an extraordinary campus life to cherish forever. It's a prestigious and picturesque campus at the foot of the Himalayas.

The institute boasts state-of-the-art infrastructure, excellent campus facilities for all residents and a highly sophisticated array of laboratories and research facilities to support cutting-edge research and scientific pursuits. All these elements come together and mold students into highly competent professionals, technocrats, and leaders of the world.

# | Admission Procedure

IIT admission procedure for the various programmes ensures that only the very best and most motivated students make it to the campuses. Admission at different levels is carried out through the following highly competitive national-level examinations.

**JEE ADVANCED**  
**(IIT JEE)**

**GATE**

**IIT JAM**

**NET**

**CAT**

# Academic Programmes

## Bachelor of Technology

Civil Engineering (CE)

Computer Science and Engineering (CSE)

Electrical Engineering (EE)

Mechanical Engineering (ME)

Data Science and Engineering (DSE)

Engineering Physics (EP)

General Engineering

Materials Science and Engineering

Microelectronics & VLSI

Mathematics and Computing

BS in Chemical Sciences

Integrated Dual Degree in Bio-Engineering

## Master of Business Administration

Master of Business Administration in Data Science and Artificial Intelligence

## Master of Arts

Development Studies

## Master of Technology

Mechanical Engineering with Specialization in Energy Systems

Materials and Energy Engineering

Power Electronics and Drives

Communications and Signal Processing

Biotechnology

Structural Engineering

VLSI

Computer Science and Engineering

Fluid and Thermal Engineering

Electric Transportation

## MTech (R)

School of Computing & Electrical Engineering

School of Biosciences & Bioengineering

School of Civil & Environmental Engineering

School of Mathematical & Statistical Sciences

School of Mechanical and Materials Engineering

Indian Knowledge System and Mental Health Application (IKSMHA)

Centre Artificial Intelligence and Robotics (CAIR)

## Master of Science

Chemistry

Applied Mathematics

Physics

## Doctor of Philosophy

School of Computing & Electrical Engineering

School of Humanities and Social Sciences

School of Biosciences & Bioengineering

School of Chemical Sciences

School of Civil & Environmental Engineering

School of Management

School of Mathematical & Statistical Sciences

School of Mechanical and Materials Engineering

School of Physical Sciences

Indian Knowledge System and Mental Health Application (IKSMHA)

Centre Artificial Intelligence and Robotics (CAIR)

## Integrated-Doctor of Philosophy

Physics

# | B.Tech Curriculum

Year 1

Common Courses

Reverse Engineering

Under the curriculum students carefully disassemble, observe test, analyse, report and understand existing technologies, functions, features, objects, components and systems.

Year 2

Discipline Courses

Product Development

The curriculum is geared towards training innovative design engineers who will be responsible for the products that will become household words in years to come.

Year 3

Discipline Course

Socio-Technical Project

This is an on field curriculum designed for leaders of tomorrow to understand how society and technology interact.

Year 4

Electives

Major Technical Project

The MTP is a capstone task which builds organisationally and collaboratively upon the previous three years of study taken by a B.Tech. student

# Demographics

**B.Tech 2020 batch**  
 Total strength : 305  
 No. of female students : 66

**M.Tech (2022)**  
 Total strength : 109  
 No. of female students : 22

**M.Sc. (2022)**  
 Total strength : 133  
 No. of female students : 54

**M.A. (2022)**  
 Total strength : 15  
 No. of female students : 6

**MBA**  
 Total strength : 31  
 No. of female students : 5

**B.Tech 2021 batch**  
 Total strength: 294  
 No. of female students : 61

# | Student Activities

The student clubs at IIT Mandi cater to diverse interests and enable the all-around development of the students. Majority of the clubs fall under the Student Gymkhana with students being club coordinators for various societies, namely Science and Technology Council (SnTC), Cultural Society, Sports Society, English Debating, and Literary Society.

## Technical Society

The technical society of IIT Mandi or Science and Technology Council (SnTC) IIT Mandi consists of several technical clubs. The unique feature of the Institute's Technical Society is that all the clubs support open participation. All the students are free to join a club at any point in time and dedicated students are rewarded with experience. Members of the technical society also enthusiastically represent the college in national and international events bring laurels for the Institute.

SnTC constitutes of the following clubs:

- Robotronics Club
- Space Technology and Astronomy Cell (STAC)
- Yantrik Club
- Programming Club
- Nirmaan Club
- SAE Collegiate
- Entrepreneurship Cell
- Kamand Bio Engineering Group (KBG)

Technical events and activities:

- Utkarsh (Intra College Technical Fest)
- Xpecto (Annual Inter College Tech Fest)
- AstraX (Inter College Astro Fest)
- FrostHack (Inter College Hackathon)
- Kamand Premier League (Intra College Annual League)

## Literary Society

IIT Mandi has various literary clubs and societies that actively work for enhancing the talent of the students in these fields. The society came up with the first clinical student magazine, Vivaan. The society held its formal debating competition along with several GDs, quizzes, and creative writing. It participated in Casis 2012 at BITS Pilani and won the first prize in Formal Debating. Literary society of IIT Mandi also runs an annual fest named 'Ruvaan'.

## Cultural Society

Music, Dramatics and Dance come together with Programme Management under the Cultural Society to provide students a platform to showcase their skills. The society has also started a Photography and Fine arts Club. In the year 2014, this society started collaborating with SPIC-MACAY and has been organizing various events throughout the year. "Aakarshan"-Introduction to Cultural Society and "Exuberance"- Intra College Cultural Nights are some of the major events. Digital Art is another focus area of the cultural society.

## Entrepreneurship

At IIT Mandi student clubs especially E-Cell aim to instigate the entrepreneurial spirit among the community. The club shares its crazy love for subjects related to business and its disciplines, they strive to give a glimpse of the world of business and finance by conducting a variety of events, sessions and competitions.

The main focus is on Personal Finance, Business Analytics, Product Management, and building a good startup culture in the college. IIT Mandi Catalyst hereby goes hand-in-hand as an incubator as well as a partner. Stock market and Blockchain networks are also being covered and the result comes out as Himalayas biggest Startup fest 'Himalayan Startup Trek' where startups from around India and World come with their pitches and get incubated.

# | Our Alumni

**Mr. Athar Amir Khan**  
Commissioner, Srinagar  
Municipal Corporation &  
CEO, Srinagar Smart City Limited

**Er. Amanjot Kaur**  
Data Scientist at Visualping,  
Canada

**Dr. Palvi Aggarwal**  
Assistant Professor,  
University of Texas, USA

**Dr. Hari Vansh Rai Mittal**  
Assistant Professor, IIT Palakkad

**Mr. Shubham Ajmera**  
Software Engineer at Facebook | Ex-  
Google

**Mr. Siddharth Gangal**  
Solarlabs, co founder

**Dr. Rishi Sharma**  
PHD, Computer Science at EPFL

**Mr. Harshul Jain**  
Founder and CEO of  
Glood.ai

**Mr. Mohit Kumar Malhotra**  
Scientist, Defense ministry of  
Gov. of India

**Mr. Tanmay Rustpgi**  
Software Engineer,  
Databricks

**Mr. Abhigyan Khaund**  
MS Computer Science,  
Georgia Institute of  
Technology

# | Student Achievements

IIT Mandi got 11th rank in the world  
in terms of number of students selected in GSOC-21.  
12 students and 3 mentors got selected in 2021  
9 student and 6 mentors got selected in 2020  
5 student and 2 mentors got selected in 2019

STAC IIT Mandi received a  
globally competitive grant of €  
4388 from IAU Office of  
Astronomy Upliftment of Space  
Technology Cell in Himalayas

Ranking of IIT Mandi in  
Inter-IIT Tech Meet  
2021-22 : 10th  
2020-21 : 12th  
2019-20 : 12th

Neha Grewal  
Secured 2nd rank in CDSE  
(2020)

Mr. Arpit Nandi received  
IEEE Electron Devices  
Society Masters Student  
Fellowship 2021.

IIT Mandi alumnus  
Dr. Navneet Chandra Verma has  
won the Indian National Young  
Academy of Sciences (INYNAS)  
National Award 2020 for Research  
Excellence.

Lalitesh Kumar Meena  
Secured 655th rank in  
CSE (2020)

Piyush Kumar  
Secured 400th rank in  
GATE(2021)

## Placement Procedure

1. Career and Placement Cell (CnP) , IIT Mandi sends formal invitation and relevant information regarding Campus Placement to the companies

8. The company can interview the shortlisted students and finally submit the list of selected students.

2. Companies can register by filling Internship Notification Form (INF) / Job Notification Form (JNF).

7. Recruiters can conduct any kind of test or shortlist on the basis of resume before moving forward with the interviews.

3. Any company, if interested in organizing a Pre-Placement Talk (PPT) can share their request along with relevant details.

6. Interested students can apply for the recruitment process through the online portal and thereafter, their resumes are shared with the company.

4. The CnP cell decides the final placement schedule of tests with companies after mutual discussion and consent.

5. All the appropriate details regarding the company and opportunity offered is shared with students
